PROFILE SUMMARY

A Front-end Developer with over 2.5 years of experience creating intuitive user interfaces using React.js, now transitioning to full-stack. I build and fine-tune interfaces and address defects for enhanced user experience. My background in various types of content creation adds a creative edge. With a solid foundation in HTML, CSS, and Js from my early days, I blend technical skills with creative flair to deliver standout products and applications.

WORK EXPERIENCE

Standard Chartered GBS

JULY 2022 - PRESENT

Full Stack Developer

- Working on internal supervisory dashboard, since Sept 2023, implemented 20% components, including CRUD grids, forms, navigations, etc.
- Began initially with code migration of the existing dashboard from old version in Ember.Js to React.Js
- Worked on Jest unit test cases, taking up coverage to 40% over-all
- My current 50% of capacity goes into next version UI/UX updates with React.Js and Material UI
- Simultaneously, 50% of my capacity goes to handling vulnerabilities fixes & service side enhancements and bug fixes
- Before this, was a part of Quality Assurance team; Worked on SQL, Unix & aided with manual testing & creating feature files for 75% of new projects

Abstinent Research & Technologies

JUNE 2019 - AUGUST 2019

Intern Web Designer

- Designed and developed 2 websites, replicating the Manorama news portal and the State Bank of India's site respectively
- Gained hands-on experience in HTML, CSS, & Bootstrap, handling 100% UI development for the above
- Contributed to creating visually engaging and responsive web interfaces

Freelance Content Writer

MAY 2020 - AUGUST 2023

- Produced SEO-compliant content & X Calendars for DevDock, PlutoPe, Kometverse, The Dapp List, GameAppStudio, Monetas Global, and more over the period of over 3 years with several freelance gigs
- Created 100+ tweets, 500+ blogs, 50+ newsletters, PRs, technical docs, etc
- Gathered & analyzed requirements, conducted research, collaborated with graphic designers & aligned weekly deliverables with those requirements

ACHIEVEMENTS

- State Level - International Mathematics Olympiad 2017
- Top performer - Soft Skills in Graduation 2nd Year
- 1st Position - Epsilon 2k19 presentation competition
- NSS Camp 2019 Participant
